it just takes | one.

Dear Friend:

One day in the life of a child can make a huge impact on their future. One caring adult can create an unbreakable bond with a vulnerable child that will last them a lifetime. One Boys & Girls Club can offer hope to a neighborhood. One gift from you can open the door to a brighter tomorrow for more of our children.

At the Boys & Girls Club of Hardin County, we teach and serve with one purpose: To inspire and enable young people to realize their full potential as productive, responsible and caring citizens. Concentrating on children from disadvantaged circumstances, we offer a sense of belonging and the tools to make positive choices to each child who come to our Club, but we cannot do it alone. We need the support of caring people and leaders like you to help us reach children who need us the most.

The Boys & Girls Club of Hardin County provides:

A Safe Place...for those who may be left alone after school or during the summer with no guidance. The Club is a safe place to play and a place safe enough to be yourself.

Life-Enhancing Programs...that can open young minds. The Boys & Girls Club exposes youth to new ideas and skills that prepare them for life. We teach the importance of character in all of our programs.

A Relationship with Caring, Trained Adults...the better the programs; the more children we can attract; the more likely they will build a relationship with a caring adult; the more opportunity our Boys & Girls Club can positively influence the character of a child.

Hope and Opportunity...as young people experience our Club, we become a place for hope. Hope leads to increased confidence and a brighter future.

The Boys & Girls Club of Hardin County delivers quality programs and an exceptional experience for the at-risk children of our area. You can help our Club attract and capture the interest of local youth. It just takes one donor like you to make a difference. Together we can make a direct impact on the lives of our kids, and therefore, on our community and society. Today our program is needed more than ever.

Your dollars support boys and girls. Your dollars stay in your Club. Your dollars will last a lifetime.

Sincerely,
